Southern Shutter Mortise & Tenon Wood Shutters and Vents

Southern Shutter Company warrants its shutter against any manufacturer defect in construction for the life of the shutter.

Warranty covers the raw shutter; it does not cover any cost incurred in the finishing or hanging of the shutter.

For warranty to be valid, the purchaser must request a return authorization for the defective goods.

Once the product is returned and the manufacturer has inspected and confirmed that the problem is manufacturer defect the customer will be given replacement shutters, no credits will be issued.

Warranty issues will be addressed by the manufacturer:
